PLODDING ALONG. SMYTH'S NEW TERM

Bearing the Third Million of the Guarantee Fund of \$5,000,000.

Over \$113,000 Pledged Through "The World's" Canvassers.

Central Park's Fate Not Yet Decided by the Site Committee.

A big lift was given to the \$5,000,000 Guarantee Fund of the World's Fair in the shape of over \$100,000 subscribed yesterday through various channels.

This was not as large as expected, however, but the indecision regarding the use of Central Park is looked upon as a potent factor in the matter of subscriptions.

The Committee on Site and Buildings have reported, and will be meeting this afternoon, when the Park will again be discussed.

Congressman Roswell P. Flower offered a set of resolutions at the meeting yesterday, protesting against the use of the Park, except on the site of the former Armory, the Museum of Art and Mount St. Vincent.

He concluded his resolutions by recommending that the city dismiss those buildings at once, and turn over all sites and locations and buildings for Exposition purposes.

Dr. Chandler, on behalf of Mr. Towne, offered a similar set of resolutions, pending action by which committee.

A sum of \$100,000 was appropriated for the Fund, and a committee appointed to go to Albany to have it passed, enabling the Institute to have a seat at the Fair.
